

Success walks hand in hand with failure.

Faithless is he who quits when the road darkens.

If you don't have time to live your life now, when do you?

If you tempt a squirrel with a nut, be prepared to be bitten.

Keep your courage up and it will keep you up.

If you can't accept losing, you can't win.

You have a great ability to make new friends.

No man is free who is not master of himself.

Happiness is a state of mind.

Courtesy begins in the home.

Depend on your feet, you can climb the highest mountain.

To do nothing is to be nothing.

He who bravely dares must sometimes risk a fall.

Right now there's an energy pushing you in a new direction.

There is absolutely no substitute for a genuine lack of preparation.

The major value in life is not in what you get, but in what you become.

You are of double character: And active socialite and a serious thinker

Do not spend the money that you don't have.

Lotto or not? That is the question.

The harder the conflict, the more glorious the triumph.

Devotion will make you feel more complete.

Wise aware of their treasure, while fools follow their vanity

Good luck bestows upon you. You will get what your heart desires.

A cheerful letter or message is on its way to you.

You will enjoy true in whatever you do.

Sitting towards the East may bring you good fortune.

☺ Find release from your cares, have a good time. ☺
