

Attitudes are the forerunners
of conditions.

Many possibilities are open to you -
work a little harder.
Lucky Numbers 1, 21, 33, 39, 44, 45

Discriminating mind leads you in
the proper direction.

The best way to have the last
word is to apologize.

Happiness is a journey...
not a destination.

Let hatred turn into friendship
because of your existence.

Be satisfied with what
you already own.

Smile, smile, your smile will
make you happier day after day.

When the moment comes, take
the one from the right.

Only tears can bring a dreamer
back to earth.

A happy event will take place in
your home.

Pardon is the choicest flower of
victory.

Smile and rejoice, fortune is
smiling on you.

If you think you can do a thing or
think you can't do a thing, you're
right.

The best thing about giving is
that the reaction is always greater
than the action.

The really great man is the man
who makes everyone feel great.

Courage conquers all things; it
even gives strength to the body.

Of all our human resources, the
most precious is the desire to
improve.

Confidence begets confidence.

Start to look for your faults if you
never made mistakes.

A golden egg of opportunity falls
into your lap this month.
Lucky Numbers 3, 6, 12, 23, 26, 42

No bird soars too high if he soars
with his own wings.

You are offered the dream
of a lifetime. Say yes!
Lucky Numbers 2, 4, 8, 14, 18, 26

Keep your face to the
sunshine and you will
never see the shadows.
