

A perfect statue never comes
from a bad mould.

Go for it. You never know
what happens next.

Don't fret. All your friends will
be able to zig whenever you zag.

If your cookie still in
one piece, buy lotto.

Happy news is on its way to you.

Better be the head of a chicken
than the tail of an ox.

Our perception and attitude
toward any situation will
determine the outcome.

Only when free from projections,
we can be aware of reality.

Believe it can
be done.

Never spit against the wind.

Teamwork makes the dream
work.

No man will work for your
interests unless they are his.

You always have the right answers they just
sometimes ask the wrong questions.

A lifetime of happiness lies ahead
of you.

No one can make you feel
inferior without your consent.

You will stumble into the path
that will lead your life to
happiness.
